Trip: Amazonas SUP Adventure

THE SOUND OF THE JUNGLE

RIO NEGRO AND ANAVILHANAS ARCHIPEL

Dive into the unforgettable sound of the jungle you will never forget. As a lover of nature, adventurer and SUP paddler you will be inspired by the beauty of the biodiversity, the breathtaking nature and the unique experience. Let yourself drift, leave the noise of the city behind you and embark with us on a very special journey.

Experience unique paddling tours on the Rio Negro in the Brazilian Amazon region, the largest body of water and the largest connected rainforest on our planet. Learn more about the life of the Indigo, observe rare animals or enjoy freshly grilled fish from the BBQ.

Embark on the journey, your journey - let's go!

OUR YACHT

A comfortably equipped 22 meter yacht with 8 modern double cabins, a cozy lounge, dining room, a beautiful sun deck and a wonderful crew will be your home meanwhile.

VILA DE ACAJATUBA & COOL DRINKS

LIVING IN THE MIDDLE OF THE RAINFOREST

In the middle of the Brazilian jungle on the banks of a branch of the Rio Negro, a small river community lives in harmony with nature. The magic of the place and the energy that emanates from it will cast a spell over you. You can look forward to have a cool drink with the friendly locals at one of the original Brazilian bars. Beware, the rum has loosened many tongues before...

DREAM BEACHES OF THE AMAZON RIVER

Discover white sandy beaches on the glittering Amazon river and spoil yourself with a refreshing dip into the water.

YOGA UND URWALD- TREKKING

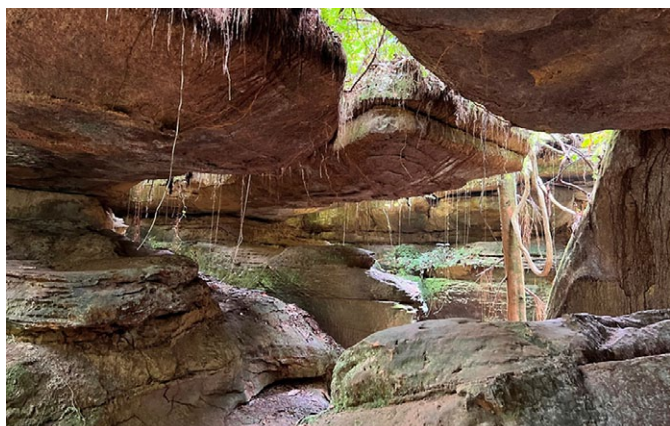

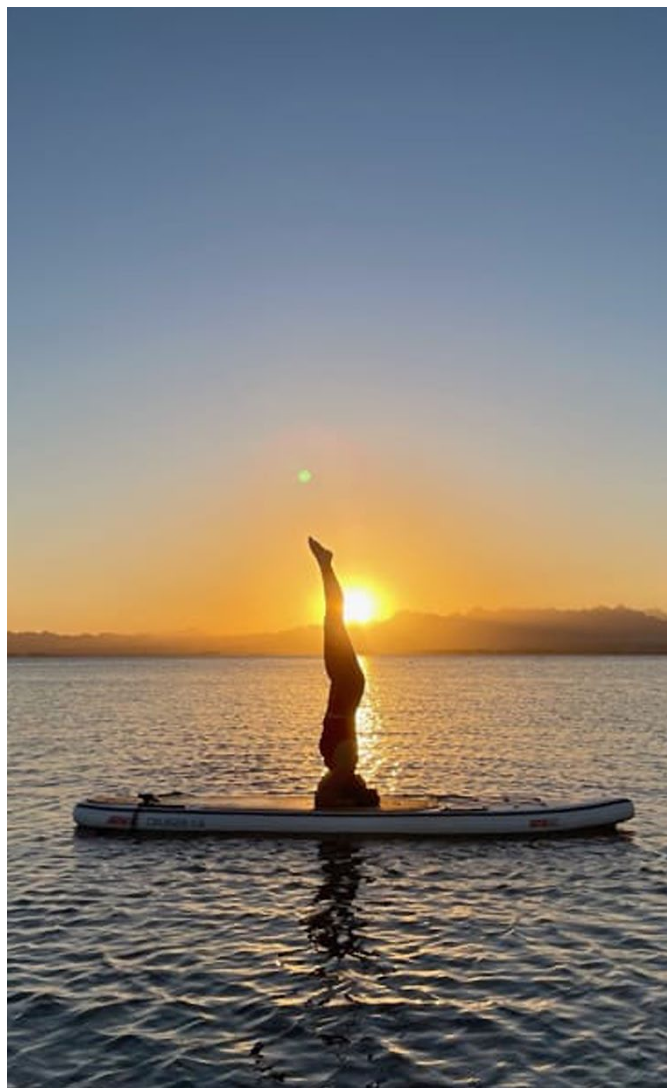

FIND YOUR BALANCE

Greet the rising sun doing yoga on the boat deck with the sound of tropical bird calls. Join the SUP Yoga with the element of water and get your deep muscles in shape. We will find your inner and outer balance and the Amazon gently rocks you to Shavasana. Meditate to the sound of the Amazon jungle and enjoy the pranayama breathing techniques in the cleanest air of the world. Calm your mind with mindfulness training and wifi detox on our Yoga-Tour from 14.11. to 20.11.

RAINFOREST EXCURSION

take the opportunity to meet and interact with our local guide, to witness the fascinating traditional way of life, and learn from his vast knowledge of the rainforest.

You can learn how to live off the land in a non-extractive way and survive in the rainforest without destroying it. Get to know how to protect one of the most biodiverse lands in the world – the 'lungs of the world' – to the benefit of us all.

Trip: Amazonas SUP Adventure

NOVO AIRAO & RIVER DOLPHINS

Novo Airão is the last major settlement that can be reached by land and is located in the world's largest river archipelago, Anavilhanas. Enjoy a last visit to one of the small restaurants or a last shopping opportunities on our trip. From here, Colombia and Peru can be reached only by ship.

PADDING THE RIVER DOLPHINS

Around 20 families of dolphins live in the bay of Novo Giro, which you can observe and even pet in the wild.

IT DOESN'T GET ANY FRESHER

„Good things come to those who bait“

Enjoy the multifarious fish species in the Amazon river that will enhance your fishing trip experience and test your abilities.

Just like the indigenous tribes, we only catch what we need, because sustainability is important to us. A colorful buffet of fresh fruit and crunchy vegetables, rice and Maniok, will be prepared for you if you are a vegetarian.

A NIGHT IN THE RAINFOREST

Surrounded by the scent and sound of the rainforest, the lush green of the vegetation, the distant murmur of water and the setting sun, we prepare our camp for the night. Our rich buffet covered with all the delicacies of the jungle makes it unforgettable.

The crackling of the campfire will give you sweet dreams in your hammock. The smell of fresh coffee in the morning will wake you and the forest up.

This event is optionally bookable.

COMUNIDADE INDIGENA

HUNTER - FISHER - COLLECTOR

In an authentic, indigenous village in the Amazon, you can experience how the indigenous people live according to their customs and traditions today.
